

BUSINESS ROUNDTABLE

**Take Your Business to the Next Level by Joining
Your Rio Rancho Regional Chamber's Business Roundtable**

What is The Business Roundtable?

The Rio Rancho Regional Chamber's Business Roundtable is designed to take your business to the next level--offering advice, solutions, and suggestions on growing a successful business in a confidential setting. The Roundtable also offers the opportunity to develop long-lasting relationships for continued support throughout the life of your business.

Business Roundtable (limited to 10 per roundtable, non-competing businesses) serves as an exclusive association of dynamic business leaders designed to build business knowledge, increase productivity and profitability. Roundtables are peer group forums for entrepreneurs, executives, and business owners that directly impact an organization's bottom line. The groups offer a confidential sounding board for up-and-coming, small-to-medium sized companies.

The application process for the Business Roundtable program is now open for interest and application. Interviews will be conducted prior to selection.

Guidelines:

- ◀ Only non-competing businesses are accepted into each group
- ◀ Must have plans for more than one employee
- ◀ Business must be a minimum of one year old
- ◀ Company must have growth objectives
