

» ISSUES ROUNDTABLE

WHAT TO EXPECT

Issue Roundtables provide members of the statewide business community with a forum where they can identify key issues impacting New Mexico's business climate and obtain a briefing on business issues addressed during the 2008 legislative session. ACI is the statewide, legislative advocate for business interests and the Roundtables are important in creating the association's legislative agenda.

ACI'S MISSION

The mission of the Association of Commerce & Industry is to enrich the lives and prosperity of New Mexicans through a vibrant business climate by effective advocacy and education.
